APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the stream system of which this source may be a tributary. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 4.116 cubic feet per second.

Actual construction work shall begin on or before May 29, 1920.

Proof of commencement of work shall be filed before June 29, 1920.

Work must be prosecuted with reasonable diligence and be completed on or before September 29, 1924.

Proof of completion of work shall be filed before October 29, 1924.

Application of water to beneficial use shall be made on or before September 29, 1925. Proof of the application of water to beneficial use must be filed with State Engineer on or before October 29, 1925.

Map filed MAY 4 1919

WITNESS MY HAND AND SEAL this 29th day

Proof of labor filed JUL 19 1920 of October, 1919

Proof of completion of work filed Sept 26, 1925

Cancelled JUL 20 1936 because of failure of
applicant to comply with provisions of permit.
